Purpose

This policy sets the conditions under which SD Worx Payroll BE clients may pay a tax-free home working allowance.

Conditions

The employee works from home structurally, at least one day per week on average, under a written home working agreement. The allowance covers heating, electricity, office supplies and small equipment.

Amounts are indexed

Payroll Ops BE publishes the current maximum in the procedure library after each indexation. Clients can combine the allowance with an internet allowance of EUR 20 per month and a PC allowance of EUR 20 per month.

Example

EUR 150.00 home working allowance, EUR 20.00 internet and EUR 20.00 PC: total EUR 190.00 per month, all tax-free.
