### Purpose

This policy sets the reference rules for the year-end bonus in joint committee 200 (PC 200) as applied by SD Worx Payroll BE.

### Rule

The bonus equals one gross monthly salary, pro rata of worked and assimilated months. Assimilated months include guaranteed salary during sickness and maternity leave.

### Example

An employee earning EUR 4,100.00 per month who was on maternity leave for 3 months and worked 9 months receives the full bonus of EUR 4,100.00, because maternity leave is assimilated.

Clients in other joint committees follow their own sector agreement. PC 118, PC 124 and PC 140 each have their own formula.
